

2017 AUCTION DONATION REQUEST

Dear Conservancy Friend:

Each year the Conservancy of Southwest Florida hosts the RedSnook Catch & Release Charity Tournament to help support the water quality protection work of the Conservancy of Southwest Florida. The tournament is a reminder of one of the treasures of our region, our waterways. Without clean and abundant supplies of water, recreational and sport fishing would be a thing of the past.

The Conservancy of Southwest Florida began in 1964 when a group of community leaders came together to defeat a proposed "Road to Nowhere" that would have destroyed the beauty, tranquility and productivity of Rookery Bay and the Ten Thousand Islands. Since then, the Conservancy protects our natural resources through science-based policy solutions to the pressing environmental issues of our region – our water, our land, native wildlife and marine life.

We believe that blue-green algae, red tide and polluted waterways are everyday reminders that all is not well in this paradise we love. We recognize that the quality of our environment is linked to our economic viability, recreation and enjoyment of all this area has to offer.
